

Jerusalem · London · New York

Kinship network · ties run both ways

UAE · UK

Kinship network · ties run both ways

FIELD SITE

Jerusalem

Major hub for Palestinian communities of diverse ethno-religious backgrounds and for Haredi networks of kinship, reproductive screening and fertility treatment.

FIELD SITE

Sweden

A major European hub for Palestinian, Syrian and Iraqi diaspora communities — shaped by migration, asylum and family-reunification pathways, with enduring cross-border kinship ties.

FIELD SITE

London

Project based at SOAS; London is a hub for transnational kinship networks among close-knit ethno-religious communities.

ORIGIN OF DISPLACEMENT

Iraq

War, persecution and forced displacement of Iraqis from diverse ethno-religious backgrounds.

MIGRATION FLOW

Palestinian diaspora

Palestinian families who moved to Germany and Sweden, and the cross-border kinship ties they maintain.
Jerusalem → Germany · Jerusalem → Sweden

MIGRATION FLOW

Syrian diaspora

Syrian minority families who migrated to Germany and Sweden, and the cross-border kinship ties they maintain.
Syria → Germany · Syria → Sweden

KINSHIP NETWORK

UAE · UK

Bidirectional transnational links of Emiratis between the UAE and the UK.
UAE ↔ London

FIELD SITE

Germany

A major European hub for Palestinian, Syrian and Iraqi diaspora families — shaped by migration, asylum and family-reunification pathways, with enduring cross-border kinship ties.

FIELD SITE

UAE

Major hub for premarital genetic screening and fertility treatment in the Gulf.

FIELD SITE

New York

A major hub in transnational Haredi kinship networks.

ORIGIN OF DISPLACEMENT

Syria

War, persecution and forced displacement of Syrians from diverse ethno-religious backgrounds.

MIGRATION FLOW

Iraqi diaspora

Iraqi minority families who migrated to Germany and Sweden, and the cross-border kinship ties they maintain.
Iraq → Germany · Iraq → Sweden

KINSHIP NETWORK

Jerusalem · London · New York

Key hubs connecting transnational Haredi kinship, marriage and communal networks. Ties run in both directions.
Jerusalem ↔ London · London ↔ New York · Jerusalem ↔ New York

HOW TO READ THE MAP

Lines & outlines

Coloured outlines are field-site countries; tinted fills mark origins of displacement. Solid lines with an arrowhead are migration flows, pointing the way people moved. Dotted lines are kinship ties, running both ways.
